Parking Fee Reduction for Kayaks 4 Kidz Summer Water Sports Camp

Kayaks 4 Kidz is a non-profit youth development program that aspires to improve health and well-being for youth through participation in water sports. Kayaks for Kidz provides annually a summer camp at Mother's Beach, which is offered as a free community service to boys and girls ages 8 through 18 and their families. The half-day camp provides instruction in the basic fundamentals of kayaking and water safety, and families throughout the County of Los Angeles participate in the program. The Department of Beaches and Harbors (the Department) previously reduced parking costs for participants. However, due to a change in the Department's sponsorship policy, a reduction in parking fees for participants must now be approved by the Board of Supervisors.

I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:

Reduce the parking fee to \$2.00 for 25 vehicles, at an estimated cost of \$200.00 per day, excluding the cost of liability insurance, for Kayaks 4 Kidz Summer Water Sports Camp at Mothers Beach on June 3, June 10, July 1, July 8, August 5, August 12, September 2, September 9, and September 16, 2012.
